PROJECTS

CollabSphere – AI-Powered Developer Collaboration Platform Live Demo | GitHub
React.js, Node.js, Express.js, MongoDB, Mongoose, JWT, bcrypt, Google Gemini API, REST APIs, Vite *Oct 2026*

- Developed a full-stack developer collaboration platform for managing projects, tasks, notes, and files, with a React frontend and Node.js/Express backend.
- Implemented JWT authentication with bcrypt and protected API routes, connected MongoDB through Mongoose, and integrated the Gemini API for AI-assisted note and code workflows.
- Added project analytics and public project sharing that exposes only non-private details.

Feedback Manager – Full-Stack Feedback Application Live Demo | GitHub
Node.js, Express.js, MongoDB *Sep 2026*

- Built a full-stack feedback management app with a separate frontend and Express backend, deployed on Vercel.
- Connected the backend to MongoDB to store and retrieve feedback through REST API routes, with separate frontend, backend, and API layers.

Ask Gemini – AI Question & Answer Application Live Demo | GitHub
Gemini API, Node.js, Express.js, dotenv *Aug 2026*

- Created a full-stack AI-powered app where users submit questions and receive responses generated by the Gemini API.
- Developed Express.js REST API routes for async API integration, keeping credentials secure server-side with environment variables.

Velora – E-Commerce Web Application Live Demo | GitHub
React.js, React Router, Context API, useReducer, Axios *Jun 2026*

- Designed a responsive e-commerce app with product listing, product detail, and checkout pages using reusable React components.
- Implemented client-side routing with React Router, centralized cart state with Context API and useReducer, and fetched product data with Axios.

LEADERSHIP

Hackathon In-Charge | NavGurukul Sep 2026 - Present

- Coordinate hackathon activities and support the smooth execution of events.
- Assist participants with event-related queries and communicate important updates.

EDUCATION

Bachelor of Computer Applications (BCA) 2025 - Present
